

September 1, 2017

To the parents/guardians of Sally Student:

We are happy to announce the launch of our new student information system, Powerschool. Powerschool will be replacing ParentConnect this fall of 2017. In order to access the new portal, you will need to create a new account. This can be done by visiting <http://torrance.powerschool.com> and selecting the "Create Account" tab. Please make sure to submit an accurate email address. We recommend the Google Chrome or Firefox browser to access the portal.

You will need to enter your student's Access ID and Password below to link your child to your account. If you have multiple children in the District, you will receive a separate letter for each child. Once each child has been linked to your newly created account, you can access all of them with a single log in.

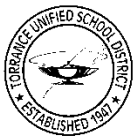

<u>Access ID</u> for Sally:	Stud134
<u>Access Password</u> for Sally:	16831

Please keep your passwords confidential so that only you can access the information.

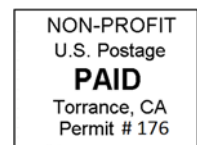

Once you have created your account and linked your child(ren), we ask that you click on the "Returning Student Registration" link to update your information and review the District agreements. Visit <http://www.tusd.org/parents/powerschool> for more detailed information. Please contact the school directly should you have any questions.

Sincerely,

Torrance Unified School District
