PRINCIPAL'S MESSAGE

As the year comes to a close, it's wonderful to reflect over the great times we have shared this school year. Towers is an incredible place in which to work and it is mostly due to the great staff we have as well as so many wonderful people who have done so much on behalf of our students and families.

There are so many terrific people who need to be recognized and thanked for all they have done on behalf of our students and families. Let me start with PTA. We have a wonderful association with devoted and competent leadership. Thank you to the current PTA Board of Directors and committee members, for all you have done this year.

To our support staff in our office, Ms. Brown, who welcomes you and lets you know that she's going to do everything she can to take good care of your children. Miss Jill our Office Assistant and Miss Tess, our Health Clerk who help to make sure that the day goes smoothly. Thank you also to all of our custodial staff for providing us with a clean and welcoming environment.

And to our teachers... thank you for the fine job you do each and every day in each of your students' lives. Your challenges are many, and you take them all in stride and provide our students with the best education you can give. Our noon aides, paraeducators, and many, many volunteers are irreplaceable in what they provide in the classroom and on campus. Finally, I want to thank Kyla Adams for keeping our library running and available to our staff and students and Mark Tefft for volunteering his time working in our Makerspace Room.

THANK YOU TO OUR TOWERS DONORS

I would like to thank some wonderful people for the special activities they provided this past month. I would like to thank Laura Lopez and her committee for all their hard work during Blue Ribbon Week. It was great having the opportunity to see and hear from so many of our local heroes. Thank you also to Kyla Adams and her committee for running a successful book fair, and thank you to Mrs. Chance for taking our 4th/5th grade students to compete in the district academic pentathlon. I would also like to thank Katie Banim and her committee and their work on this year's yearbook which I am sure will be fabulous.

ICE CREAM SOCIAL CELEBRATION

On Thursday, June 14th, we will be holding our annual end of the year ice cream social at 6:00 p.m. Come and join in the fun as we celebrate the end of a great 2017/2018 school year. We hope to see you there!!

LOST AND FOUND

Our lost and found is overflowing with jackets, sweatshirts, and sweaters. Please come and check it out prior to the end of school. Items will be on display in front of the office the week of June 11th and 18th. All items that are left will be donated to a homeless shelter on Friday, June 22nd.

LAST DAY OF SCHOOL

Our last day of school is Thursday, June 21st. School will start at 8:50 a.m. and we will dismiss at 11:50 a.m. We will be holding a flag assembly starting at 11:15 in order to give our 5th graders an opportunity to say “goodbye.” Everyone is welcome to attend. No balloons will be allowed on campus. Thank you for your cooperation.

COPY PAPER AND PRINTER CARTRIDGE DRIVE IN THE FALL

In September, 2018, Towers will be having their annual copy paper drive. This fall we are adding to our drive teacher printer cartridges. Each teacher has a Dell printer #E310dw that uses a printer cartridge #P7RMX. We will be holding a contest between classes and prizes for students who participate by bringing in copy paper and/or printer cartridges from September 10th – 21st. We are aware that there are at times special discounts during the summer on copy paper and printer cartridges from Staples, Office Depot, Target, Amazon, etc. In order to take advantage of these discounts the Towers staff wanted to inform you of our paper and printer cartridge drive that will be taking place. Thank you, as always, for your continued support of donating copy paper and/or printer cartridges in order to help alleviate the drain on our school budgets.
