

WE ARE THE HEROES OF OUR OWN STORY

TOWERS PTA 2018-2019

Dear Super Timberwolf Families:

I look forward to a SUPER year with so many activities planned. I invite you join the PTA to support your student. Please take this opportunity to become member and make a donation.

The Towers PTA funds and staffs volunteers for the library and Makerspace, as well as in class support such as instructional software and subscriptions, chrome books, and teacher supplies. PTA knows how to have fun, too. The many family events will not happen without your support.

Please help where you can with your time and monetary contributions.

Thank you,

Kyla Adams (kylaadams.towers@gmail.com)
